All practices are at Highline Community College. There will be a bus transporting athletes to and from practice, but it is recommended that you pick your son/daughter up at the track after practice. Return times are our best estimate. We will make every effort to phone ahead if we determine to be 30 minutes or more early or late. Please help your son/daughter plan for meets in regards to food, (the \* on the schedule indicates meets we will be stopping to eat) and clothing for the different weather possibilities. (They will learn VERY quickly how cold and wet it can get, and how miserable it can be when you are at an all day meet). I would like to thank you for the opportunity to coach your son/daughter this year, and help raise them with a foundation of Godly character. - Harley Kercher, Head Track Coach
