

“2012: RAISING THE STANDARD”

Greetings CFS Parents:

“When the enemy comes in like a flood, the Spirit of the Lord raises a standard against him and puts him to flight.” (Isaiah 59:19)

We just had our annual Parent/Teacher Meeting for re-enrollment purposes and to clarify our direction for rest of this year and next. A huge “Thanks” to those of you who were able to be here. Here are just a few of the highlights for those who might have missed it.

THE VISION: The long-term vision of Christian Faith School is to be a culturally diverse, model school which provides a premier, Bible-based education. We are a community-involved school developing extraordinary students as servant leaders, equipping each individual to approach life with a Biblical worldview. We create an environment of critical thinking and innovation with teaching excellence and cutting edge technology. Students are developing character by learning to be led by the Holy Spirit, achieving academic mastery, excelling in work ethic, developing healthy lifestyle habits, practicing social skills, and modeling the Christian lifestyle. This vision will be achieved as students demonstrate these values and skills in society and are in high demand by first-rate colleges, businesses and universities.

THE MISSION: It is our mission to offer students a superior bible-based education that equips them to be socially relevant and fully prepared for higher achievement. It is our purpose to provide a great place for ordinary kids to become extraordinary people.

RELATIONSHIPS WITH INTEGRITY: Our thanks to Joel and Tracy Smith for taking on “The Legacy Institute” training materials for parents. This is curriculum addressing a Biblical approach to sexual purity that we are introducing to all of our students as part of our Bible curriculum this coming Spring. And we want to give all parents the opportunity to learn beforehand just what will be taught. Times and places for these parent sessions will soon be announced via RSVP invitations.

RE-ENROLLMENT: This process is underway with reduced rates for early registration. Tuition rates have been posted and registration packets will be mailed out soon to those who missed the meeting.

END OF THE SEMESTER: January 27th is the last day of the 1st semester. That week will also be “Finals Week” with a shift in our scheduling in the secondary to accommodate the testing. There are no parent conferences scheduled until Spring, so please be checking Focus for the latest posted grades. If there is a problem, I recommend you set up an appointment with their teacher/s to see how improvements can be made in the time remaining.

I would like to say thank you for the continued support, the team spirit and all the prayers being offered up on behalf of the students, staff and families of CFS. I believe together we are making an eternal difference in the lives of this generation. We are praying for you. Bless you all.

Raising the Standard!

Tom Puddy

Principal: Christian Faith Center
